

Alcohol and Drug Arrests Remain Consistent

Key Facts

- Abuse of alcohol and drugs is a root cause of delinquent and adult criminal behavior.
- Law enforcement takes a proactive approach to education and enforcement of alcohol related violations and drug offenses as a means of creating a safer and healthier community.
- Since 2001, Wood County law enforcement and the Wood County Tavern League have partnered with our local cab companies to provide a Safe Ride Home Program as an alternative to driving impaired.

Why is this Information Important?

Alcohol and drug abuse is a serious problem that reduces the quality of life by negatively impacting several health, socio-economic, and safety related issues.

Alcohol and Drug Abuse

Working together as a community to keep drugs and alcohol away from kids will have a long lasting effect and help reduce the chance of criminal behavior as an adult. Kids who learn from their parents and the community about the dangers of underage drinking and drugs are less likely to use those substances. We have the power and opportunity to keep children safe, healthy and drug and alcohol free.
